## BOOK SYNOPSIS

APPEARANCES CAN BE DECEIVING... A groggy Kelly Hall didnt understand why her dead husband was standing in front of her, telling her their wedding night that had ended in his grisly "murder" had all been a dream. Was she going insane or was someone trying to kill her? Sinister threats lurked in the melancholy halls of Moore House...and all Kelly could be certain of was that this cold, magnetic man who bore an uncanny resemblance to the Michael Taggart she vividly remembered marrying was suddenly fiercely protective, cloaked in mystery and set off a lightning bolt of desire at the merest touch. As passion and peril spiraled out of control, would Kelly trust her life to the man whose deception could shatter the only love shed ever known?

**BORROWED IDENTITY** - Are you looking for Ebook Borrowed Identity? You will be glad to know that right now Borrowed Identity is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all.
