BOOK SYNOPSIS

American serial killer Edmund Kemper III stalked co-eds in California at the height of the era of peace and free love, dismembering his victims and tossing their body parts in remote areas around Santa Cruz. As pieces of young women began washing up on shore and turning up alongside rural highways, female residents - especially college students - were decidedly on edge. A lust killer who savored the act of decapitating his victims - and often used their severed heads for sexual pleasure - Kempers story is particularly twisted among historical serial killers. Still, the true crime tale of Edmund Kemper is particularly fascinating, because the man many people called "a gentle giant" was a near genius whose cunning manipulation of others made him particularly depraved and dangerous. This true crime story, a detailed biography of one of the most psychopathic serial killers of our time, shares some insight into the troubled childhood and awkward nature that led the American serial killer to take 10 lives, including those of six pretty co-eds, his paternal grandparents, his calculatingly cruel mother and his mothers best friend. Among historical serial killers, Kemper is especially depraved, since he included necrophilia and cannibalism in his gruesome mix of sordid criminal activity. Ultimately, Kempers murderous inclinations and urges to kill were satisfied after he bludgeoned to death his mother, a woman hed hated since he was eight years old, and he turned himself in. But if he hadnt finally acted on his long-held fantasy to end his mothers life, he might still be trolling California highways, getting away with murder.

EDMUND KEMPER THE TRUE STORY OF THE CO-ED KILLER HISTORICAL SERIAL KILLERS AND MURDERERS TRUE CRIME BY EVIL KILLERS

VOLUME 2 - Are you looking for Ebook Edmund Kemper The True Story Of The Co-ed Killer Historical Serial Killers And Murderers True Crime By Evil Killers Volume 2 ?
