## BOOK SYNOPSIS

Perfect for preparing for the RHIA and RHIT exams! The Comprehensive Review Guide for Health Information serves as a personal tutor for HIM students to review the major learning competencies that will be tested on the exams. This review guide comes complete with a workbook, audio tutorials, and a CD-ROM. The workbook, divided by knowledge clusters, contains short answer, fill in the blank, and matching questions to assess the students understanding of the competency after using review book and listening to audio recordings. At the end of every knowledge cluster, a multiple choice will simulates the questions on the national RHIA and RHIT exams.
