## BOOK SYNOPSIS

Pat McHale's *Over the Garden Wall* was Cartoon Network's first-ever original animated miniseries. Countless fans loved the eerily sweet story of two half-brothers trying to find their way home. We loved it so much, too that we published a companion one-shot that was quickly snapped up, and then we expanded the world of *Over the Garden Wall* with stories set between the episodes! Pat McHale and artist Jim Campbell return with more original stories that take place along with the animated show. Follow the additional adventures of Wirt and Greg as they try to find their way out of the Unknown forest. Collects the one shot and the limited series!
