BOOK SYNOPSIS

"Its fabulous. A triumph." -Stephen King "The most terrifying comic youve ever read." -MTV News When the Rooks family moves to the remote town of Litchfield, NH to escape a haunting trauma, theyre hopeful about starting over. But something evil is waiting for them in the woods just beyond town. Watching from the trees. Ancient...and hungry. Collects WYTCHEs #1-6. More praise for WYTCHEs: "Dark and brutal, Wytches are like nothing horror fans have ever seen" -USA Today "In Wytches, the Image Comics series Snyder co-created with the superstar art team of Jock and Matt Hollingsworth, the writer isnt just completely reinventing witches- through the story of the Rook familys dealings with the titular monsters, hes diving deep into very real fears about being a parent, and the ugliness that hides in all of us." -Entertainment Weekly "An awesome and at times terrifying tale." -IGN "A great read.... the art is outstanding and certain panels may give you nightmares." -iO9 "If you read the first 4 pages of WYTCHEs, theres no turning back. Scary as fuck and impossible to put down. Bravo." -Joe Hill, Locke & Key "Monumental." -Bloody Disgusting "Snyder has tackled horror before, but Wytches sets out to be an entirely new level of scary. Aside from the fact that the monsters in the book are terrifying (artist Jock has done an amazing job realizing the creatures), Snyders vision of witchcraft is as much about the deepest fears parents face as it is about spooky monsters in the woods." -Complex Magazine
